WORKSHOP

DENTAL AND ORAL HEALTH IN DOGS

30.05.2023

19:00h

Sumpfstrasse 32, 6312 Steinhausen

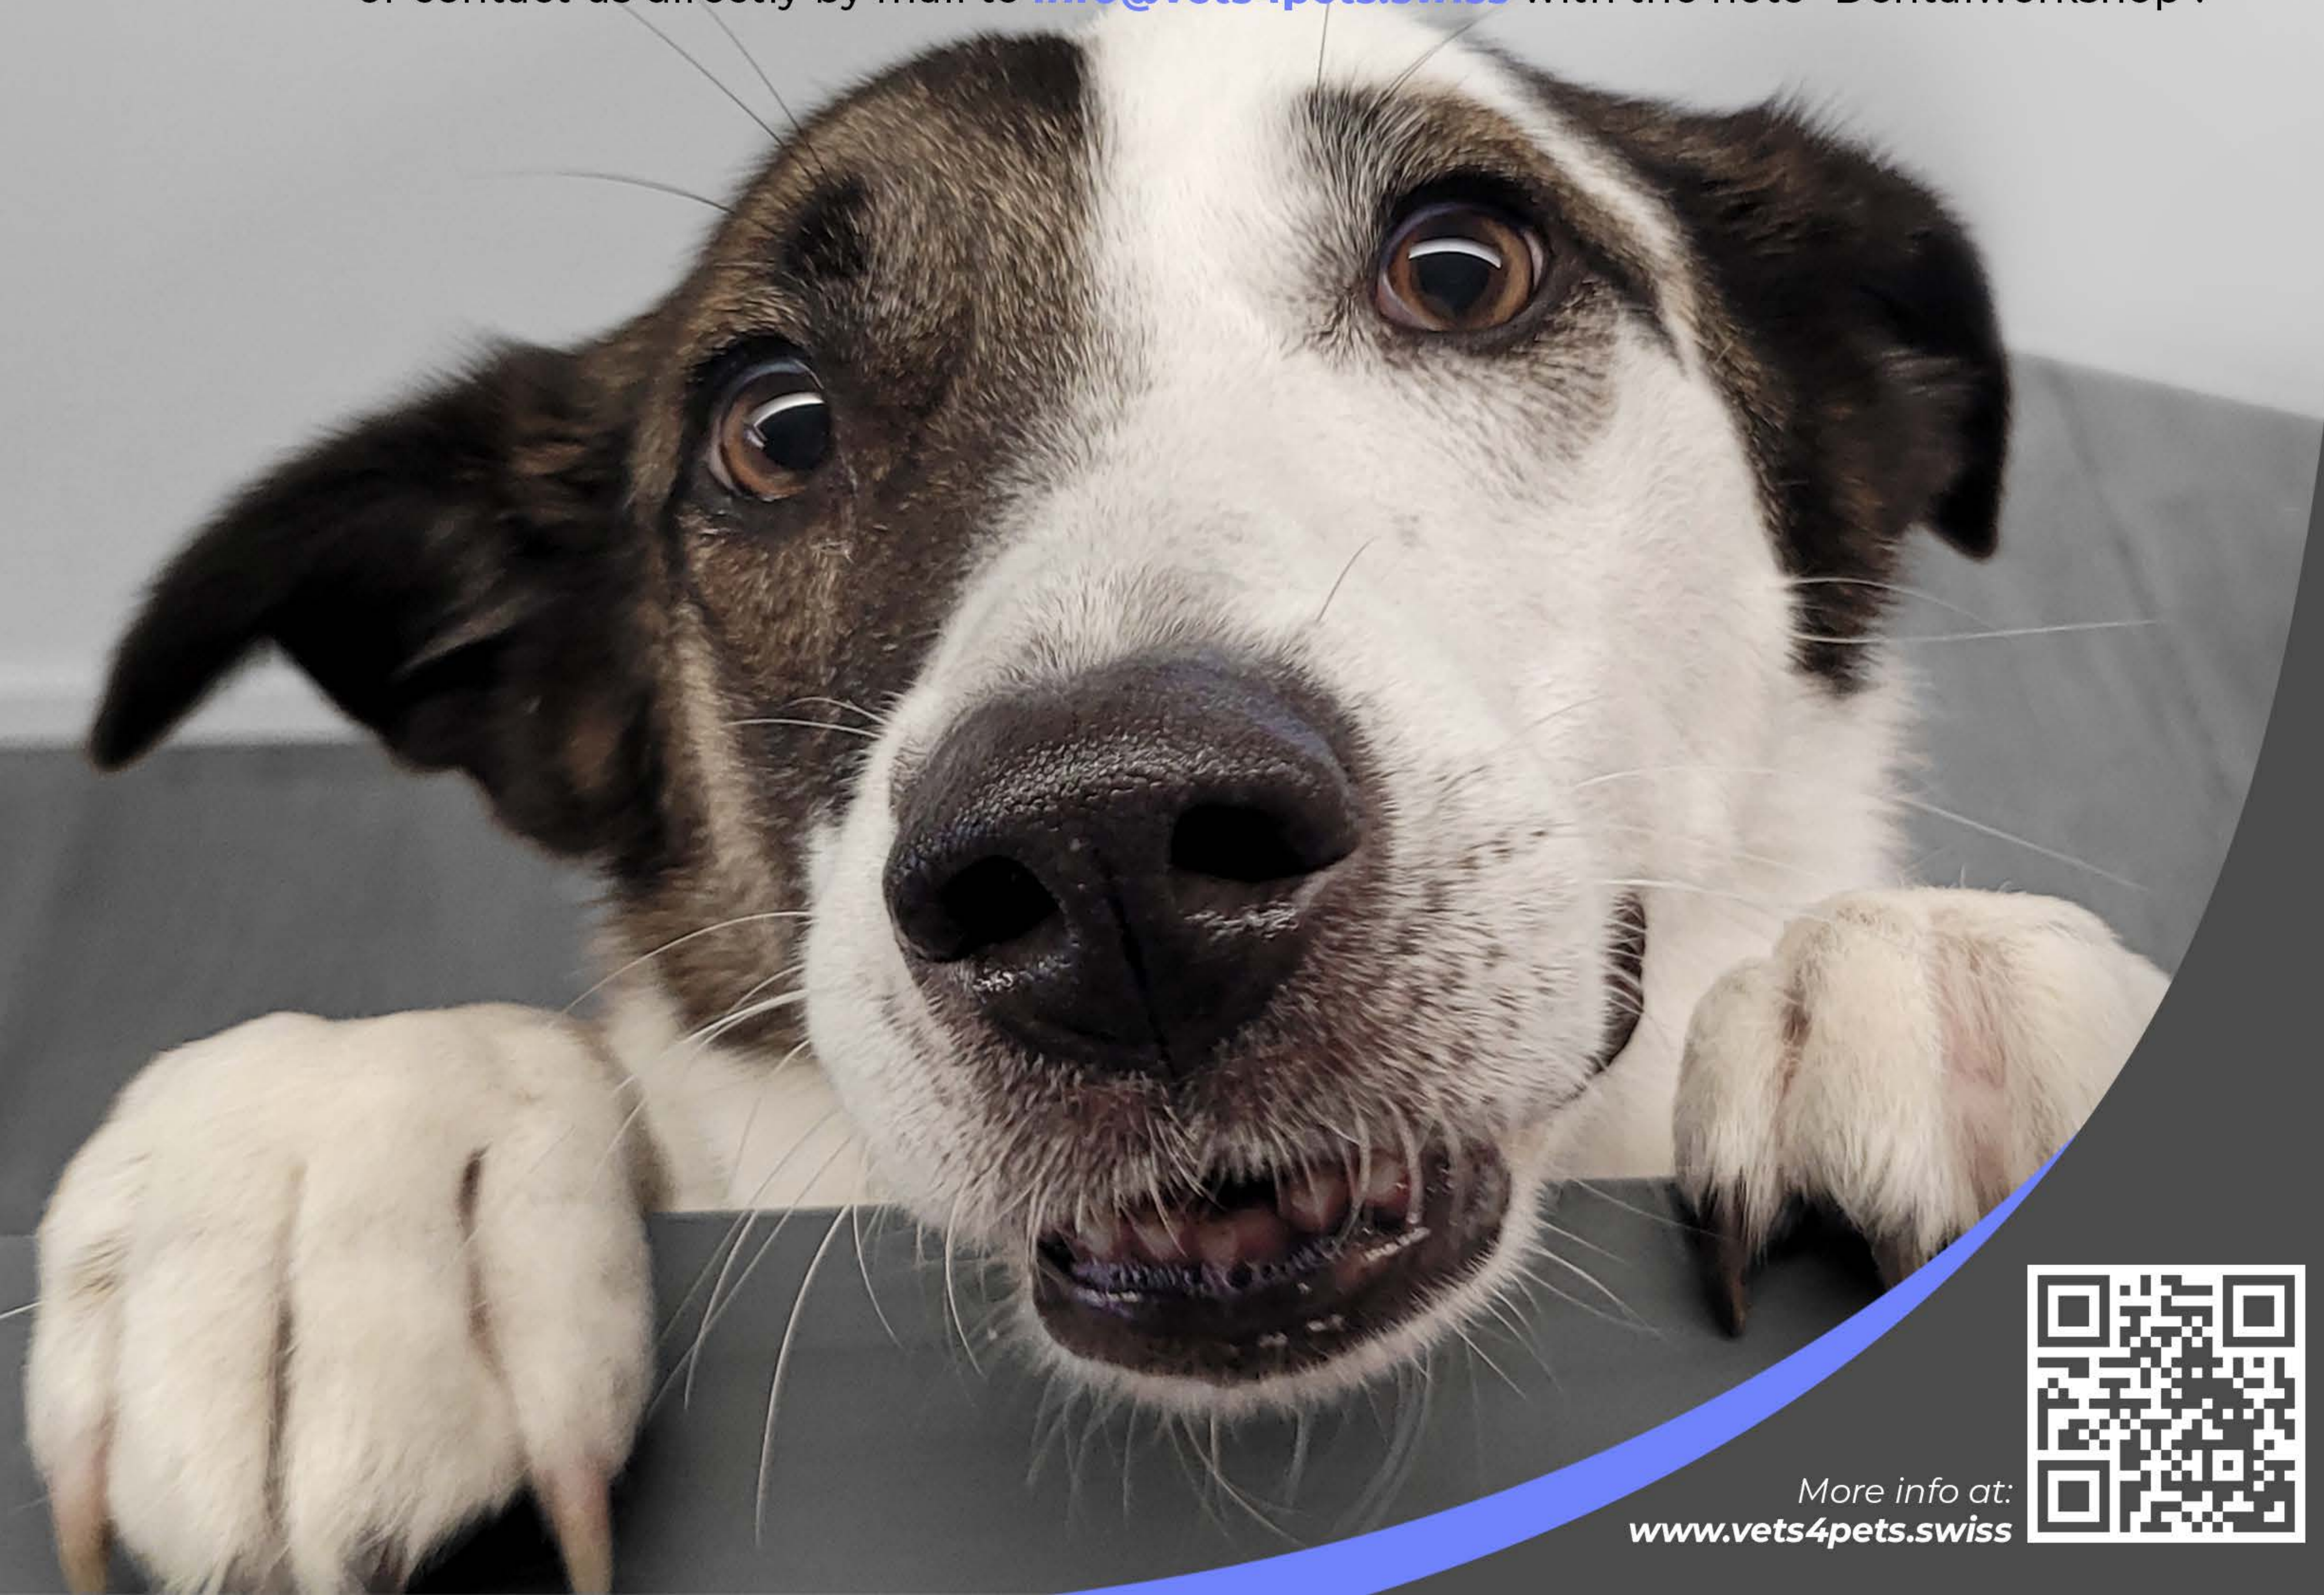

In this workshop you will learn more about the anatomy and function of the **dog's teeth**, the most important **canine dental diseases**, why a daily **dental hygiene** is important and how best to perform it.

At the end, each participant will receive a small **goodie bag** to practice at home.

A contribution towards expenses of **5.-** is kindly requested.

You will find the link to the registration on our homepage www.vets4pets.swiss or contact us directly by mail to info@vets4pets.swiss with the note "Dentalworkshop".
